All,

A quick FYI to let you know that I've spoken with 3 of Angela's references and I've never heard such consistent, glowing remarks about someone. See attached notes if you're interested. Angela has my full backing for this role. I still need to configure the employment structure (1099, Americorps contract, etc), but I'm going to reach out to Angela and make sure she's still interested, and then iron out those details together.

Let me know if you have questions or input.

Best,

Ellen
